

Environmental Planner Position - VHB

VHB has an immediate need for an Environmental Planner in its Hauppauge, New York office.

Responsibilities:

- Participate in the preparation of environmental impact statements and assessments, planning and zoning studies, wetlands and coastal permits, and visual impact analyses
- Prepare State Environmental Quality Review Act (SEQRA), New York City Environmental Quality Review (CEQR), and National Environmental Policy Act (NEPA) documentation
- Conduct environmental planning analyses, land use surveys, and historic resources research
- Independently perform research and prepare written technical reports
- Participate in field activities, including, but not limited to, natural resource surveys, land use surveys and neighborhood character assessments
- Assist in the preparation of federal, state and local permit applications
- Coordinate and communicate with internal project team members

Skills and Abilities:

- Excellent verbal, written and interpersonal communication skills
- Must be self-motivated with attention to detail
- Ability to create maps with GIS and/or CAD
- This position may involve working in remote field locations
- Understanding or experience with SEQRA/CEQR/NEPA, land use regulations and wetland permitting a plus

Qualifications:

- Successful candidate will have 0 to 3 years of environmental planning experience
- BS degree in environmental science, geology, urban planning, natural resources, civil engineering, or a related field
