# Environmentally Distressed Property Seminar

**The USGBC-LI is proud to co-sponsor the Environmentally Distressed Property Seminar on Thursday October 29th.**

The USGBC-LI Chapter is proud to sponsor this morning workshop exploring some **new & innovative approaches** to the development of environmentally distressed properties on Long Island. This 2 1/2 hour seminar is targeted for professionals in the development, government, real estate, banking, civil engineering, land use law, etc. industries. Joining us will be County Executive Steven Bellone, representatives from NYS DEC, environmental insurance & tax experts, private industry developers, LEED energy experts, etc.

Please join us in attending this free educational seminar on:

**Thursday October 29th**

**7:30 am- Registration**

**8:00am- 10:30 am- Seminar Agenda**

**@ the Molloy College Atrium, 7180 Republic Airport East Farmingdale NY 11735.**

*See event details below.*

All RSVPs can be sent to Jade Plaschka, [jplaschka@usgbc-li.org](mailto:jplaschka@usgbc-li.org) or phone @ 631-418-6808 by **Monday October 20th, 2015.**
