SUSTAINABLE TRANSPORTATION

**Greening Long Island's Commute with
Bike Share and Electric Vehicles**

EVENING PROGRAM

June 13, 2017, 5pm - 8pm

**150 Motor Parkway, Hauppauge
Lower Level - Media Center**

Our transportation choices and policies have large environmental, economic and social impacts. It is a major contributor to air pollution and greenhouse gases; 27% of U.S. greenhouse gases are from transportation. Transportation represents 28% of total energy consumed in the U.S.

Join us for two lively panel discussions on the latest developments in bike share and electric vehicle technology and incentives. Panelists will include experts in these fields as well as local leaders helping to shape the coalitions needed to foster more sustainable transportation on Long Island.

Program:

5pm - 6pm – Refreshments, Networking, Exhibitors

6pm - 8pm - Panel Discussions:

- Can a Regional Bike Share program work on Long Island?
- The latest developments with Electric Vehicles and charging station infrastructure on Long Island

Registration fee: \$10 members; \$15 non-members
