Each year, the best and brightest of Long Island's new and future professional planners compete for the Arthur Kunz Scholarship, which provides funds to its recipients for attendance at the annual American Planning Association National Conference. This year, the Arthur Kunz Memorial Scholarship has been awarded to four planners who were selected following a competitive process. The following young planners received \$1,500 for attendance at the 2019 Planning Conference in San Francisco, and each will take a few moments during the breakfast to share with you some highlights from their experiences. This year's recipients are:
